St. Petersburg is your city of opportunity!

This resource guide is designed to help acquaint you with leisure activities provided by the Sunshine City. Find over 100 ways to enjoy the active lifestyle of beautiful St. Petersburg.

Be a part of a healthy St. Pete by walking, bike riding on our recreation trails or working out at one of our outdoor fitness zones. This year, our newest park, Riviera Bay Park, was added to a list of over 160 parks, including 9 with swimming pools and aquatic activities. For indoor activities, visit one of 19 indoor recreation centers for classes, gym activities, camps and more. Enjoy a game of golf at one of our three municipal golf courses. Each course provides individual or group lessons from a PGA teaching professional, a pro shop, a practice range and well-maintained greens.

Learn about our seven libraries where you will find Internet access, public computers, popular reading material, youth programming and community rooms giving our residents and visitors state-of-the-art educational opportunities.

St. Petersburg provides numerous cultural amenities with venues like the Mahaffey Theater, Dale Chihuly Collection, Salvador Dali Museum, Sunken Gardens, the accredited Gizella Kopsick Arboretum - Palms and Cycads, the historic Coliseum, and our world famous waterfront featuring a port, marina, sailing center and airport.

With over 100 events annually, each week brings entertainment and variety. Whether it’s a parade, a music festival or a marathon, there’s something to suit every taste. We can even help you plan your own event.

Enjoy this publication and discover ways to stay well, be active and make the most of your leisure time.

As your mayor, I hope you, your family and friends will enjoy all our vibrant city has to offer.

St. Petersburg celebrates its place in aviation history – January 2014 marked the 100th anniversary of our nation’s first scheduled airline flight. Although nationally recognized as the birthplace of scheduled airline flight, St. Petersburg is also home to an active airport that is rich with even more aviation history, Albert Whitted Airport.

In 2013, Albert Whitted Airport celebrated its 85th anniversary, although the field has actually been around much longer. National Airlines, one of the nation’s first airlines, began service here in 1934. In the late 1930s, Goodyear chose Albert Whitted as one of the first airports to base its famous blimps. During World War II, Albert Whitted Airport helped support the war effort when it was converted from a public airfield to a military air base. For generations, Albert Whitted Airport has served us in many unique and often unrecognized ways. This service to our community continues today.

Albert Whitted Airport is one of St. Petersburg’s most valuable assets. It is rich with history, vibrant with business and enticing with things to see and do. Visit Albert Whitted Airport today – you’ll be amazed at what you will find at St. Petersburg’s downtown gem. For more information, free flights for youth and monthly event details, visit www.awaps.org or call 727-822-1532.

Albert Whitted Airport Preservation Society (AWAPS) was formed in 2003 with the mission of preserving and enhancing Albert Whitted Airport. AWAPS works with our fellow citizens and businesses to keep this downtown transportation and commerce center a vital part of our city. Our vision is to make St. Petersburg’s downtown airport the finest general aviation airport in the country; one that incorporates public recreation areas, aviation education, vibrant airport businesses and an aviation museum to show our city’s proud place in aviation history.
Riviera Bay Park is a new eight-acre park located in the Riviera Bay community on the old Rio Vista Elementary School site. The park includes tennis courts, basketball court, exercise zone, main playground with other play structure locations, three picnic shelters, large pavilion, walking path that connects to the Pinellas Trail, community flower garden, benches throughout the park and centrally located circular event area.

Financial support is from the Weeki Wachee Fund, created when St. Petersburg sold a 440-acre recreation area along Weeki Wachee Springs in Hernando County. The fund is designated for parks and recreation beautification and preservation. Cost: $1.6 million.
The Mahaffey Theater, located in the heart of beautiful downtown St. Petersburg, on the water’s edge overlooking Tampa Bay, is the cultural jewel of St. Petersburg.

For nearly five decades, The Mahaffey Theater has been entertaining residents and visitors alike! From Broadway to Beethoven, rock ‘n roll to R&B, comedy to children’s shows... The Mahaffey Theater offers something for everyone!

With convenient on-site parking, comfortable seating in an intimate setting, beautifully-styled reception areas and a professional, courteous staff, The Mahaffey Theater creates the ultimate entertainment experience.

Its beautiful setting, unparalleled entertainment and proximity to the lively downtown St. Petersburg area make The Mahaffey Theater the best performing arts center in the Tampa Bay area.

Bill Edwards Foundation for the Arts is dedicated to actively supporting arts awareness and arts education through the Class Acts Performing Arts Series and other opportunities in the arts.

For a complete schedule of events, to purchase tickets or learn more about The Mahaffey Theater, visit TheMahaffey.com or call 727-893-7832.

Parks and Recreation Sustaining a Healthy Community

The city of St. Petersburg cares about the health and wellness of our residents. Enjoy your favorite activities outdoors, in our recreation centers or start something new. You’ll discover 19 recreation facilities, nine swimming pools, 78 playgrounds, two nature preserves and more than 160 city parks. With varied options for programs to get involved in, there is something for everyone. For youth, we offer Summer Camp, Before and After School Programs, teen and youth councils, sports leagues, swim lessons, art programs, martial arts and a wide array of activities through TASCO Teen Programs. Seniors and adults can take advantage of many classes, programs and sports leagues. Visit our website for monthly updates and additional information.

Benefits of Leisure Get Involved, Improve Your Health

Taking part in regular recreational activity enhances well-being, reduces stress, uplifts mood and overall physical wellness. Studies show having parks and recreational facilities in convenient proximity to home, school and work have many health benefits including lower systolic blood pressure, lower body mass index, fewer doctor visits, lower stress levels, balanced mood, less depression and increased daily healthy activity. In addition, regular activity enhances quality of life and improves self-esteem, feelings of satisfaction and mental health.

Special Events A Community that Plays Together

Join us for Flick & Foat movie nights at the pool, 4th of July Fireworks, Dog Swim Days, $1 Swim Days, Snowfest and other events we put on for the public. Over 100 additional sponsored events are coordinated with event organizers through our Special Programs division. This includes Special Olympics, Pride Parade, Martin Luther King Jr. Parade, Firestone Grand Prix, Tampa Bay Blues Fest, St. Anthony’s Triathlon, Green Thumb Festival, Ribfest, Holiday Tree Lighting, Santa Parade, First Night St. Petersburg, Get Downtown First Friday Music Series and many more.

For an updated calendar of all city events, check out our website:

Florida’s natural wildlands

This peaceful oasis is located on the shores of Lake Maggiore. Enjoy walking along the trails and boardwalks that wind through many unique ecosystems that are homes to over 60 species of amphibians and reptiles, over 50 species of butterflies and over 165 species of birds. Because of this strong diversity of birds, the preserve has been named to the Great Florida Birding Trail.

Interact with Nature

Before you take a walk on the trails, visit the national award winning exhibit “The Ripple Effect: Understanding Nature’s Connections” at the Lake Maggiore Environmental Education Center. This exhibit is an exciting and innovative depiction that will enlighten the visitor to the natural wonders of the preserve and Lake Maggiore. As you walk to the trails, you will see our aviary, which is home to 20 permanently injured birds of prey including an eagle, hawks and owls. Come visit the aviary and see these magnificent birds up close.

Gizella Kopsick Arboretum - Palms & Cycads
North Shore Dr. & 10th Ave. NE
The Gizella Kopsick Arboretum, with its red brick winding walkways, benches and gazebo, offers a quiet respite and tropical gallery of more than 500 palms and cycads representing over 215 species of palms and 91 species of cycads from around the world. The collection is one of the largest palm collections in the state of Florida and known to be the largest free museum of palms and cycads in the world.

Paving the Future Brick Program
You can help fund the expanding collection of palms and cycads by purchasing a commemorative brick. Custom engraved bricks are laid in the walkways of the arboretum. Each brick costs $50. Contributions are tax deductible. www.stpeteparksrec.org/city-beautiful.html

City Beautiful Commission
• Formed in 1961 as an adjunct commission
• Assists with enforcement of city statutes
• Suggests ordinances to City Council
• With guidance from Parks and Recreation, maintains the Gizella Kopsick Arboretum
• Supervises the Gift Tree Program and Paving the Future Brick Program
• Presents the annual City Beautiful Awards

Gift Tree Program
Contributions can be in any amount and can accumulate toward the price of a tree. Honorees/donors are inscribed in a leather bound register. Acknowledgment cards are sent to donors and families. Contributions are tax deductible.

The Main Library offers
- 67 public access computers
- electric connections for laptop users
- access to the library’s wireless Internet
- study tables with plugs for more space
- computers featuring Internet access
- Microsoft Office 2007 computer applications
- print from your smartphone, laptop or tablet

The children’s area is attractively decorated with whimsical public art designed by artist Candace Knapp of Brandon, Florida. The Happy Town Players are colorful figures carved from wood that encourage children to use their imagination.

The Teen Area has seating and computer workstations for homework or Internet research.

Check out the Novel Idea bookstore for some great treasures. Many of the books are just like new, and the prices are great bargains.

The Main Library is the central hub of the St. Petersburg Library System.

Six branch libraries offer
- wireless Internet access
- public computers
- popular reading materials
- children’s programs
- community rooms - exception: Childs Park Community Library
- print from your smartphone, laptop or tablet

Each library has a distinct personality that reflects its community.

The Johnson Community Library specializes in African-American materials. In the center of the library is a mural featuring people from the community.

North Community Library located in Northeast St. Petersburg is a very busy branch with a large group of dedicated volunteers.

Mirror Lake Community Library is an original Carnegie library that has been beautifully restored to the grandeur of its era. An addition built in 1998 increased the service area and provided space to offer the same technology as its newer sister libraries. A convenient drive-up window makes it easy to pick up items.

South Community Library contains a beautiful mural created to reflect the landmarks in the neighborhood.

West St. Petersburg Community Library is a joint use library in partnership with St. Petersburg College. It contains both public and college library materials and has an intriguing children’s section designed with a water theme.

Childs Park Community Library is the smallest and newest of the system’s libraries. Located inside the Childs Park YMCA, it offers computers and a small collection of its own reading materials with access to materials from any of the other libraries.

Library resources are at your fingertips 24/7 on the library website.

visit us online www.splibraries.org
Check out and download ebooks, audio books, music; use the Ask a Librarian reference service; take advantage of the electronic reference resources such as “Testing and Education Reference Center,” which has practice tests; learn a new language with “pronunciator”; and access an online encyclopedia.

As members of the Pinellas Public Library Cooperative (PPLC) and PALS (Pinellas Automated Library System), St. Petersburg Library System cardholders are eligible to borrow materials from any of the libraries. Patrons can enter their requests, and materials will be delivered to the library of their choice.

For books that are not available anywhere in the county, patrons may request materials through the library’s Interlibrary Loan (ILL) service, an international loan service that links libraries worldwide for resource sharing. The service also provides copies of journal articles, which are often available only through academic libraries.
Make a World of Difference @ Your Library

Be a Friend  The Friends of the Library is a not-for-profit organization composed of individuals, families and local businesses with the common goal of supporting libraries. The Friends of the Library provides funds for furnishings, books, special programs and outreach. Main, Johnson, Mirror Lake, North, South and West Community Libraries all have friends groups supporting their local library. For more information, check out the friends groups on our website.

Stop by a Library Today  Visit our Website at www.splibraries.org

Volunteers are an integral part of our library team. Call your neighborhood library to find out more about becoming a library volunteer.

T.G.F.H. Days
Thank Goodness for Holidays! When public school is
out for the day, we really know how to celebrate. Or-
ganized games, sports and special events are planned
for youth and teens. These special days are included
for those enrolled in the Before or After School Pro-
gram. The cost for anyone not enrolled in the Before
and After School Program is $20 per T.G.F.H. day.
These days are based on the Pinellas County Schools’
in-service days and professional training days. Full
T.G.F.H. day program hours are 7:30am to 5:30pm.

Playgrounds
St. Petersburg currently has 78 playgrounds located in many of our parks. This includes five fully accessible playgrounds at the following park locations: Lake Vista, Dell Holmes, Campbell, Walter Fuller and Willis S. Johns.

See park list at www.stpeteparksrec.org

see pages 20 - 23 for sport activities
What is TASCO?
Teen, Arts, Sports and Cultural Opportunities
• positive, value-based youth opportunities
• teens in grades 6 through 12
• athletics, education and entertainment

You will find Center-Based Programs
Eleven recreation facilities have a dedicated teen room, staff and organized activities that fill teens’ nonschool hours with core value opportunities. This includes a free After School Program. TASCO Citywide Sports Leagues & Events; TASCO Center for Teen Technology; Center-Based Programs, Out of School Time (OST) programs are based in the recreation center teen rooms in partnership with the Juvenile Welfare Board.

Sports Leagues
Sports include coed dodgeball in the fall, flag football in the winter, volleyball in the spring and basketball in the summer. Teens join at any recreation center or form their own teams. Church groups, schools, nonprofit organizations and youth groups are welcome.

Mini Tournaments
TASCO runs various mini tournaments, including Night Spiker “Glow in the Dark” beach volleyball, 3-on-3 basketball, dodgeball and flag football.

Junior Leader Program
• volunteer job training program for teens entering grades 10 through 12
• hands-on, supervised work experience
• earn service hours toward academic credit and college scholarships

Special Events
Signature events include Mayor’s Youth Showcase of Achievement; TASCO sponsored Halloween Field of Screams and Valentine’s Semi-formal. We collaborate with local middle and high schools’ teen oriented agencies/organizations.

Summer Extreme
Weekly activities for teens
• entering grades 7 through 12
• events for teen camp participants only
• many events are free to all teens
Events include activities such as live music by teen performers, beach events, inflatable games, Mud Wars competition, dances, beach volleyball tournaments and much more.

727-892-5060
After School Technology Classes
TASCO offers free after school technology programs for teens in grades 6 through 12. Programs include digital photography, graphic arts, videography, audio and computers. Courses are designed to introduce teens to media techniques and progress to hands-on learning. Participants use digital cameras, camcorders and computers. Practical applications are utilized throughout the course. A graduation is held to recognize and showcase the class accomplishments.

Homeschool Technology Classes
Fall and spring semester technology courses are offered for teens.

TASCO Summer Teen Technology Camp
Ten-week (400+ hours) course designed to teach teens digital video, digital audio and digital photography/graphic arts. More in-depth than other after school programs. Participants leave with an intermediate/advanced education in the media field. Thursday TASCO Summer Extreme events and Friday field trips and guest speakers on the week’s related subject are included.

TASCO also DJs events
school dances, homecomings, proms, teen birthday parties and more.

Teens & preteens

Out of School Time Teen Programs

These programs take place at recreation centers during nonschool hours:
• free Before School Program
• evening programs
• varied weekend programs
• free After School Program
• transportation to and from some middle schools

Summer Teen Camp is offered at 13 recreation center sites for the weeks school is out during summer break. See page 32 and 33 for detailed information.

Teen Drop-In Program Programs operate Monday through Saturday. Hours and weekend activities vary at each site. Activities are listed on monthly calendars and are posted in each teen room.

Out of School Time
With structure and guidance, teens make choices and implement their own programs. Activities during non-school hours include these components:

- community service
- positive family interaction
- weekly teen council meetings
- drug awareness
- technology educational and career development
- homework assistance
- overlay enrichment programs
- certified teachers
- adult role models
- appropriate social opportunities

Teen Council Each teen site has an elected teen council that designs a program format which includes planning activities, fundraising and implementing positive social opportunities. Each council meets weekly at their recreation center site. Free activities include teen nights, participation in TASCO sports leagues, center special events, dances and field trips for teens.

Mayor’s Youth Congress Youth have a unique opportunity to meet with the mayor, participate in discussion, learn about governmental operations, attain leadership roles and help make decisions regarding youth issues.

Our Mission
The purpose of St. Petersburg teen recreation centers is to offer youth led activities, community service and leadership opportunities resulting in positive teen role models in a safe, drug free environment.

Teen Council

All participants are encouraged to excel in school and are provided a supportive environment to form peer-to-peer study groups.

St. Pete Values

Respect Responsibility Honesty Achievement Teamwork Self-Discipline

St. Pete Values St. Petersburg’s Parks and Recreation programs build character with Self-Discipline, Teamwork, Achievement, Responsibility, Respect and Honesty. These include Before and After School Programs, sports leagues for youth, education enrichment, hobbies and fitness classes, competitive swim classes, Junior Leader volunteer program, tutoring and mentoring, special events, intergenerational programs, teen councils, swim lessons, community service projects and Summer Camps. Each of these activities includes at least one core value.
