We reserve the right to remove a participant due to behavioral issues. If you have any questions about the grant attendance requirements, please call the center. ****Participants that do not meet their attendance requirements will not be eligible for any grant sponsored, free, field trip opportunities.**

Continued Academic Success

Participants in our summer program benefit from our on-site tutors. During the summer program, our certified Pinellas County instructors will promote reading, facilitate S.T.E.M. education and implement other disguised learning techniques. Our academic activities and programs are designed to help fight summer learning loss, so make sure to keep your child involved! Invest in your teen's future by keeping them engaged in our safe and structured summer enrichment program.
